If you have previously tried weight loss program, what did you like about the program? and What didn't you like?

_____

If you have lost weight before what do you think prevents your weight loss/weight maintenance success?

_____

You have been offered $50,000 if you can do the following: Exercise for 45 minutes, 6 days per week for one year without changing any of your current responsibilities. When would you do the exercise and what would it be?

_____

Which of the following statements describes you best (circle one):

1. I am highly motivated to lose weight and I will do whatever it takes to get healthy.
2. I definitely want to lose weight but I would rather go slow and steady.
3. I know weight loss is hard and I am not sure any program will work for me.

Which of the following statements describes you best (circle one):

1. I know exercise is necessary to lose and maintain weight loss, but there is no way I can fit it into my schedule.
2. I already exercise as much as I possibly can which is 1-3 times per week.
3. I currently exercise most days for more than 30 minutes.

_____

_____I understand that the information on this form is essential to determine my medical and cosmetic needs and the provision of treatment. I will report any changes in my medical condition to the office staff as soon as possible. The Center for Medical Weight Loss may notify your primary care physician if you enroll in a medical weight loss program. I have read the above questionnaire and acknowledge that all answers have been recorded truthfully and will not hold any staff member responsible for any errors or omission I may have made in completion of this form.
